

SynCTI Research Meeting

DATE : Thursday, 29 June 2017
TIME : 4.30 pm
LOCATION : CeLS Seminar Room 2

Xue Bo

Senior Research Fellow

Title:

Protein purification, crystallization & design – a personal journey

Abstract:

In this presentation, I shall 1) give a brief account of my past research activities on proteins, and acknowledge my mentors who gave me invaluable guidance over the years; 2) use a few examples to illustrate how protein design can aid protein crystallization, and how protein crystallization can provide insights for protein design; 3) give my perspective on the future of protein crystallization and design.
